Christmas Family Devotional

We realize that not all of our families can make it to Christmas morning service, so this year we will be offering a devotional video along with communion supplies that you can take with you. We encourage families to use this resource to share a special moment with your families on Christmas morning. These supplies will be available starting December 18th.

Women on Wednesday Nights:

Scripture journaling is often an overlooked art that many shy away from, it seems overwhelming and our busy schedules don't accommodate for it.

Join us starting Dec. 7th in the Prayer Room, in a relaxed atmosphere with a blank journal and colorful pens.
